## Ski Event

Erik Judeen 10K Race

Charlie Banks 1K Children's Race

**C**harlie Banks Ski Trails have been in existence since 1953, and nobody has sued anybody over anything! So if you fall down a lot or are sue-happy, DON'T RACE. Because if you sue us, we're gonna be very unhappy and think you are a jerk. But if you're a free spirit, good person, willing to take chances and have fun, this is the race for you. So ... anyone who lines up to race in this event understands they might get hurt, but probably won't, and won't sue if they do, because they willfully agreed to participate in this event. (And if you do sue, you will pay for your own attorney and ours.)

I agree to the above as a right to participate in this event.
